ORDER OF BUSINESS

3. SPECIAL ORDERS

Proposed Resolution as follows:

President George Bush,

We the faculty of the University of California Santa Barbara endorse the statement of American Nobel Laureates on a Unilateral, Preventive Attack on Iraq; viz

"The undersigned oppose a preventive war against Iraq without broad international support. Military operations against Iraq may indeed lead to a relatively swift victory in the short term. But war is characterized by surprise, human loss, and unintended consequences. Even with a victory, we believe that the medical, economic, environmental, moral, spiritual, political, and legal consequences of an American preventive attack on Iraq would undermine, not protect, U.S. security and standing in the world."

ALL SENATE MEMBERS WILL BE VOTING.
