

**CHARGES OFFICER
ANNUAL REPORT: 2006-2007**

During 2006-2007, the Charges Officer did not receive any formal complaints alleging violations of the Faculty Code of Conduct.

During the course of the year, the Charges Officer met frequently with individuals seeking information about the Charges process. The Charges Officer also meets often with potential complainant(s) in hopes of effecting informal settlements when possible, but seeking the recommendation of the Charges Advisory Committee when necessary.

This year the Charges Officer has worked to forge better ties with the Ombuds Office, to our mutual benefit.
