To the Faculty Legislature, Santa Barbara Division:

The Committee on Privilege and Tenure considers grievance cases, disciplinary cases, and early termination cases. When called for, the Committee conducts hearings to determine fair and equitable outcomes on matters before it.

During 2010-11, the Committee received several informal grievance inquiries and two formal disciplinary actions. One disciplinary action was settled prior to a hearing and the other matter is continued to 2011-12. There were no hearings in 2010-11.
