Announcements by the Chair

Chair Bohn thanked Chancellor Yang for consulting with the Academic Senate regarding urgent campus matters during the Thomas fire and Montecito mudslides. Chair Bohn conferred with members of the Executive Council regarding the postponement of final exams and related concerns.

The Chancellor has formed a Child Care Task Force to be co-chaired by Henning Bohn and former Senate Chair Kum-Kum Bhavnani. This group will begin meeting in early February.

The November 16, 2017 Regents meeting included a long, closed-door session during which President Napolitano’s handling of the state audit was addressed. Systemwide Senate Chair Shane White and Vice Chair Robert May were included in the meeting and scheduled a special Academic Council meeting the next day to discuss the proceedings, while refraining from the release any confidential information. An independent investigative report solicited by the Regents (Moreno Report), is posted on the systemwide Senate website and on our local Senate website. The extent to which this incident will affect the UC’s relationship with Sacramento is unclear.

A regularly scheduled Academic Council meeting took place on November 29, 2017. Regent Lark Park, one of Governor Brown’s main advisors, was in attendance. Some Regents have expressed a willing to engage in open lines of communication with the Academic Senate. The meeting included a discussion of the Negotiated Salary Trial Program. Most campuses support further piloting. Several of our divisional councils and committees were critical of the program during the most recent round of review. Academic Council has initiated systemwide review of a proposal pertaining to conflict of interest within UC Senate committees. Assuming this proposal is granted approval, our local Senate may wish to adopt a regulation with similar language. The proposed revision of APM sections pertaining to the Lecturer with Security of Employment series is undergoing a second round of systemwide review.

Proposed Revision of Divisional Regulation 80 – Subject A Requirement

Undergraduate Council Chair David Paul presented proposed changes to Regulation 80 and explained that the revision is aimed at aligning the language of our divisional regulation with that of UC Senate Regulation 636, which was revised years ago. Both the Undergraduate Council and the Committee on Rules, Jurisdiction, and Elections support the proposed revisions.

Motion: To approve the proposed revisions to Divisional Regulation 80 – Subject A Requirement.

The motion was seconded and approved by unanimous voice vote.

The meeting was adjourned at 4:05 p.m.

Re: 2018 Academic Senate Election Report

The Academic Senate Office has conducted its annual nomination process in an effort to seek candidates for this year’s election of a Divisional Chair, three Senate Assembly Representatives, and four members of the Committee on Committees. The results are as follows:

Divisional Chair

Two Senate members were nominated for the position of Divisional Chair; one nomination was declined. The remaining candidate, Henning Bohn (Economics), accepted the nomination and received the requisite five endorsements. As there was only one viable candidate for this position, a ballot was not conducted following the nomination process.

Assembly Representatives

Four candidates were nominated to fill the three Assembly Representative positions; one of these declined the nomination. The following candidates accepted nomination and received the requisite five endorsements.

Charles A. Akemann (Mathematics)
Eric Matthys (Mechanical Engineering)
F Winddance Twine (Sociology)

Because there were only three viable candidates for the three open positions, a ballot was not conducted following the nomination period.

Committee on Committees

Four candidates were nominated for membership on the Committee on Committees; one candidate declined to accept. The following candidates accepted nomination and received the requisite number of endorsements.

Because there was only one nominee per position in Areas A, B, and C, a ballot was not conducted for these positions. As there were no faculty nominations for the position in Area D (College of Engineering), this position will be filled by an appointment by the Committee on Committees according to Divisional Bylaw 90.C3.

Regarding all of the positions noted above for which there is only one nominee per vacancy, per Divisional Bylaw 195.E6, further nominations may be submitted from the floor. Such a nomination must be seconded by an elected member of the Faculty Legislature; further, the nominee must immediately accept the nomination, either in person or via a signed memo presented by the nominator. If a nomination is seconded and accepted, a ballot for that position will be distributed within the next ten days. If there are no new nominations for a position, acceptance of this election report by the Faculty Legislature concludes the election process for that position.

Re: Response to the Proposal to Revise GGSE FEC Bylaws

The Committee on Rules, Jurisdiction & Elections (RJE) reviewed the proposed revisions to the Gevirtz Graduate School of Education Faculty Executive Committee Bylaws. RJE suggested an additional wording change to the revised sentence at the end of Section 2: 4: A: 1: “with at least one voting member from any of these three units to be associated with the Teacher Education Program”, to clarify where the TEP member comes from. RJE consulted with the GGSE FEC, which accepted the change. RJE supports the changes and is submitting for approval to the Faculty Legislature the revised GGSE FEC Bylaws.

RE:     GGSE FEC Bylaws

The Faculty Executive Committee of the Gevirtz Graduate School of Education is submitting the following proposed changes to our bylaws for Senate approval. The rationale for these proposed changes is twofold. Firstly, allowing more flexibility to the Department of Education by eliminating the requirement that one of their members represent the Teacher Education Program. TEP will still have one voting member on FEC. Secondly, these changes excise the mandate that the non-Senate faculty representative alternate between the Departments of Education and CCSP each year as CCSP does not employ many non-Senate faculty. The faculty of both departments have voted to approve the proposed changes.
Gevirtz Graduate School of Education (1 - 5)
Section 1: General Provisions

- This committee includes:
  1. Seven GGSE Academic Senate voting members elected from three units in the Gevirtz Graduate School of Education: Department of Education faculty (3 members) with at least one Representative associated with Teacher Education Program; Department of Counseling, Clinical, and School Psychology (3 members); and Representative from Credential Advising Committee (1 member) with at least one voting member from any of these three units to be associated with Teacher Education Program.

Re: Proposed CFIA Name Change and Bylaw Revision

During its meeting on January 16, the Executive Council considered a proposal from the Council on Faculty Issues and Awards requesting the following changes:

1) Rename of the Council on Faculty Issues and Awards (CFIA) to Council on Faculty Welfare, Academic Freedom and Awards, with the understanding that it would be referred to by the acronym CFW;

2) Rename CFIA’s standing Committee on Faculty Welfare and Academic Freedom to Committee on Academic Freedom (CAF);

3) Revise section A. of Bylaw 60, Council on Faculty Issues and Awards as follows: “To study and make recommendations on any matter of interest and faculty or broader campus community welfare and academic freedom, of the campus community, and to reward excellence in research and teaching.”

Although it was not mentioned in the proposal, the heading of Bylaw 60 would also need to be changed to reflect the new name of the Council. This should be included in the overall set of proposed changes. It is my understanding that the proposal will be reviewed by the Committee on Rules, Jurisdiction and Elections prior to being presented to the Faculty Legislature for final approval.

Re: Revised Proposal—CFIA and CFWAF Name and Bylaw Change

CFIA met on November 15, 2017 and unanimously voted that the name of the Council of Faculty Issues and Awards (CFIA) should be changed to the Council of Faculty Welfare, Academic Freedom, and Awards (CFW). CFIA is aware that the full initials should be CFWAFA, but the Council prefers the shortened abbreviation of CFW. It further voted to change the name of one of its subcommittees from the Committee on Faculty Welfare and Academic Freedom (CFWAF) to the Committee on Academic Freedom (CAF). In the spirit of the new name changes, CFIA also proposes that the Bylaws for the Council be changed to include Academic Freedom, so that the sentence would be changed, as marked in red: “To study and make recommendations on any matter of interest and faculty or broader campus community welfare and academic freedom, of the campus community, and to reward excellence in research and teaching.”

As noted in the RJ&E response to CFIA’s original name change proposal, several additional areas of Bylaw 60 also need to be updated to reflect CFIA’s name change. This includes changing the Bylaw heading to “Council on Faculty Welfare, Academic Freedom, and Awards.” Additional changes include updating the current name in the first line of Section C, and updating the subcommittee name in Section C, committee 2. Finally, in Bylaw 60-C-4 there is a typo that needs to be corrected. Currently it refers to The Committee on Research Lecture, but should be corrected to say The Committee on Faculty Research Lecturer.

Reasoning Behind Name Change:

The word “issues” in the current Council’s title is vacuous in meaning and most faculty do not know what the Council is or does. Welfare is more specific. Furthermore, all the other UC campuses have “Welfare” in their Councils’ titles and the UCOP committee to which the chairs of these Councils report is also titled simply University Committee of Faculty Welfare.

Furthermore, up until this year the Committee of Faculty Welfare and Academic Freedom has been dormant, and thus no names have been published on the Senate website as being affiliated with it. Three years ago, under Stan Awramik’s chairship of CFIA, an Ad Hoc Committee of Academic Freedom was established, since many academic freedom issues have become prevalent on UC campuses and campuses nationwide. It was thought at the time the Ad Hoc committee was formed that it would be best to draw on faculty experienced in academic freedom issues to populate an academic freedom committee, rather than draw on CFIA members, who generally had no or little experience in addressing academic freedom concerns—hence an Ad Hoc Committee was formed for two years. Since academic freedom remains a pressing concern, with regular flareups, and is likely to continue to be so for the foreseeable future, as chair of CFIA this
year, I revived the Committee on Academic Welfare and Academic Freedom and populated it with those from the recruited CFIA members who were best experienced in such issues. But because names of members of this sub-committee are now posted on the Senate website, people with academic welfare concerns have been contacting the sub-committee believing that this is the main committee devoted to addressing their concerns, rather than contacting CFIA directly.

The name change of the Council and of the sub-committee on Academic Freedom will make clearer to anyone visiting the Senate site what CFIA does and what its sub-domain committees do. Also, going forward, we will ask CoC to focus on recruiting at least 4 members for the Council with faculty who have experience and interest in Academic Freedom concerns so that CAF will be ably manned.

Re: Response to the CFIA & CFWAF Name Change and Bylaw Revision Proposal

The Committee on Rules, Jurisdiction & Elections (RJ&E) has reviewed the CFIA & CFWAF Name Change and Bylaw Revision proposal. RJ&E has the following questions that should be clarified in a revised proposal for the Committee to review.

1. Memo from Patricia Fumerton, Chair, Council on Faculty Issues and Awards (Dec 5, 2017): “CFIA met on November 15, 2017 and unanimously voted that the name of the Council on Faculty Issues and Awards (CFIA) should be changed to the Council on Faculty Welfare, Academic Freedom, and Awards (CFW).” The full initials would be CFWAFA, but if the Council prefers the shortened abbreviation that is their choice.

2. As noted by in the Executive Council response, the Bylaw 60 heading should be changed to “Council on Faculty Welfare, Academic Freedom, and Awards”.

3. Referring to the actual Bylaw 60:
In addition to the change in the Council name in the Bylaw 60 heading, and the word change in Section A, there are two other places in the Bylaw needing changes:
a. the current name should also be changed in Section C, first line
b. the subcommittee name should be changed in Section C, committee 2

4. In Bylaw 60-C-4, the ad hoc committee is referred to as The Committee on Research Lecture, while the online Senate Manual refers to The Committee on Research Lecturer. This language needs to be clarified and depends on whether the committee is focused on the Research Lecture or on the Research Lecturer.
